

Premier Sport are our new kit provider for products like T-Shirts, hoodies & All Weather Robes. The club shop will be open on specific times throughout the year when you can place an order.

All club kit will be ordered in bulk and will be available to collect from your beach/pool sessions. All items purchased are non-refundable. The only return is if there is a manufacturing issue.

Please click the section you wish to order from, where you will see images and sizing for that product (the club does not have any further or additional sizing information to provide - what is listed on the form is direct from the supplier).

Unfortunately you can only select 1 item at a time from these order forms, so if you wish to order more than 1 of the same product, you will have to complete the first order and return to add the other.

Once the shop is closed, your invoice will be submitted through Spond for you to pay within 24 hours - failure to pay will result in your order being cancelled. Shipping and transaction costs will be added to the invoice for the products you have selected. Shipping costs will be spread evenly across the total number of people who have bought products during this cycle.

If you are not a club member, you must be able to collect the order from Brighton, UK. There is no facility to forward on your items and the club accepts no responsibility for items purchased that cannot be collected.

There is around a 2-3 week lead in time for production/delivery.
